

ELM COURT GARDEN CENTRE

Give a Rose That Grows

Flowers are lovely, but a rose can return year after year.

Whether you are celebrating a birthday, remembering someone special or simply bringing more colour into the garden, the name of a rose can make the gift every bit as meaningful as the flowers.

Our new-season roses arrive during October, ready to be planted and enjoyed for years to come.

WHARTONS ROSES | OCTOBER 2026

First delivery: 5 October 2026

Further delivery: late October 2026

Browse the planned range and prices on the following pages. Availability may change as roses sell, and delivery dates are expected dates.

Due 5 October 2026

All varieties below are Whartons roses. Prices are per rose.
